75 in fact, thats the total number of our Record Fairs held to date! Another landmark reached - thanks as always for your tremendous support since 2006.

IT'S BEGINNING TO FEEL A BIT LIKE...

Our next Fair and last of 2017 (fear not we are back next Year), is edging towards the Festive Season. So, its back to Mold for our 2017 finale on Saturday 25th November, the Market will be gearing up for Christmas so make a day of it in the Town. Our shop on New Street will also be open for the duration of the Record Fair.

LOOKING FORWARD

You will notice dates for 2018 are accumulating in the left-hand column of this Newsletter. Included once again is Bromborough Our first visit to the Wirral this Year was very well received so only Fair to give it another go (or two!).

BLACK FRIDAY

The day before our next Record Fair in Mold it's **BLACK FRIDAY**. Our shop will open at 7.30am that morning closing at 2pm to allow us to set up for the Record Fair. Should you not make it down to the shop on Black Friday pop in on the day of the Record Fair (Saturday 25th November.) and see whats still in stock. So what is the **RECORD STORE VERSION** of Black Friday? Special releases launched on this day to celebrate Black Friday include many Limited editions, mostly imports.

A selection of Record Stores across the UK will be participating (including us). We will just be stocking a small selection and anything incoming will be listed on our Website ahead of the day.

MISSED OUT ON A NEWSLETTER?

Guessing as you are reading this then you have picked up one of our Record Fair Newsletters as you entered today's Fair, but for future reference if none left on the door you can now catch up and read online via our Website in glorious technicolour. Just visit the FAIRS page and you will see a link that allows you to view a PDF version of the last Newsletter. You can also view previous Newsletters if you wish. The aim of our Newsletter has always been to inform you of up and coming Fairs and other VOD Music related information. This is not the end of our Physical Newsletter (we will still print the same amount out for each Fair) just hope it will be a useful addition for those who have either lost, not picked up or couldn't get a Newsletter due to all being taken on the day. You can also join our Mailing list on the Website that will get you updates throughout the Year on approximately a Monthly basis, especially handy during the Winter when there are no VOD music Record Fairs.
