Musician and composer known for his work in the psychedelic, avant-garde rock field. Guitarist with the legendary CARDIACS, vocalist-guitarist-frontman-composer for spaced out International progressive rock band GONG, founder and leader of the British psychedelic band KNIFEWORLD.

SENDELICA

Instrumental psyche, space, rock band from West Wales (whose work blends early psychedelic outings, occasional heavy riffing, and electronic ambient musings). blending the hypnotic pulse of Can, the impressionistic atmospherics of Pink Floyd, the motorized proto punk of Neu!, the space patrolling guitar pyrotechnics of Jimi Hendrix and the otherworldly ambiances of The Orb

RSD -THE STORY

Record Store Day started 2007 when over 700 independent stores in the USA came together to celebrate their unique culture. The UK followed suit a year later and 2018 sees the 11th Global celebration for Independents. Special very limited vinyl plus a few CD and Cassette releases, various promotional products with each store doing its own thing on the day! We are participating today for the 9th time.
