SEE YOU IN WREXHAM

Our next Fair is in Wrexham at TY PAWB (formerly the Peoples Market). A year after re-opening following a multi million pound investment we return for our 2nd visit. Such an amazing space with Art gallery, Performance area, Street food stalls, market and of course the designated large area with 30 stalls for our Record Fair. If you havent already been to Ty Pawb we can highly recommend a visit.

So, who is performing here!

ENNIO THE LITTLE BROTHER

Producer, musician who is creating a stir on the music scene with his mix of ambience, spoken word, hip hop and guitar soundscapes.

TRECCO BEIS

Not to be missed, Trecco Beis are all engaging and will be bringing their amazing Fuzz-Fi surf sounds to our event. We cant wait!

RSD -THE BIG PICTURE

Record Store Day started 2007 when over 700 independent stores in the USA came together to celebrate their unique culture. The UK followed suit a year later and 2019 sees the 12th Global celebration for Independents. Special very limited vinyl plus a few CD and Cassette releases, various promotional products - each store doing its own thing on the day! We are participating today for the 10th time.

EARLY RISERS?

For those who have already been to the shop for the exclusive RSD releases we can't thank you enough for your support and hope you picked up something off your list of wants.
