RETURN FROM THE WIRRAL TO BASE

The visit to Bromborough last Month saw probably the hottest conditions we have ever experienced for a Record Fair, so it came as a very welcome surprise to see such a great turn out at the Civic Centre in Bromborough. This venue over the last couple of years has been an excellent addition to our list calendar of events and one we will definitely revisit.

Back to base means we return to Mold today where our Fairs began and home of our Record shop. Last time out at the Daniel Owen Community Centre was Record Store Day so on a personal level I spent only a few minutes in the Fair-our trusty VOD team running the Record Fair and Live event on the day. It was a very busy day back in April so it will be good to hopefully spend more time in the Fair today with our Record shop on New Street also be open until 4pm. Then its on to the next Fair....

JUST 20 MINUTES AWAY

Our next Record Fair is our annual visit to Denbigh, 30 stalls with plenty of space for crate digging in the Town Hall, also an onsite cafe with very reasonably priced food and refreshments.

Denbigh Town Hall can be found at the top of the town in the pedestrianised Castle square which is in the heart of the main shopping area with a very good selection of eating places and Pubs close by! The Town Hall is a beautiful historic building and the Fair can be found on the ground floor. Car parking is not a problem with plenty of choice -the largest only a minutes walk away.

This venue is well worth a visit and with the Castle set above the High street why not take a walk across the road from the Town Hall before returning home through the beautiful scenery this area has to offer.

All Record Fairs - FREE ENTRY.

RECORD DEALER INTEREST

We have been so lucky since 2006 to have been blessed with so many excellent Record Dealers who travel from all points of the compass to attend our events and currently the level of interest from new dealers is high which bodes well for the future. We have added a few new dealers already this Year and the plan is to bring more in gradually to offer the best possible choice for Fair goers whilst retaining the solid core of existing stall holders.

DATES FOR 2020

Following on from dealer interest we are currently booking events for next Year, two of which are already listed on this newsletter, more to follow soon. You can check Fair dates through these newsletters or by visiting our Website RECORD FAIRS page which will be updated as confirmations come in.

For anyone wishing to book a stall its a good idea to keep an eye on future dates as most events book up well in advance,

DOUBLE DATE FOR OCTOBER 2019

The 7th annual Cassette Store Day returns 12th October. National Album Day will also return for its second year on Saturday 12th October. More information on both dates nearer the time.
