## RECORD STORE DAY 2018 - REVEAL

You maybe aware that we have recently announced that SENDELICA the Instrumental Psych-Space-Rock band from West Wales (whose work blends early psychedelic outings, occasional heavy riffing, and electronic ambient musings) will be playing for us in MOLD as part of our Record Store Day event next April. Sendelica conspicuously wear their influences on their sleeves and their music has been described as blending "the hypnotic pulse of Can, the impressionistic atmospherics of Pink Floyd, the motorized proto-punk of Neu!, the space patrolling guitar pyrotechnics of Jimi Hendrix and the otherworldly ambiences of The Orb. The band have also collaborated with various musicians, artists, film makers and performers over the years. It's a while off yet but already buzzing

about this.....

Record Store Day 2018 is Saturday 21st April, more details in the coming Months.

## Snippets

After the excitement of PAUL DRAPERS visit to our Record shop in September we were pleased to see the Mansun back catalogue has been acquired by Kscope with the first release ONE EP being released 15<sup>th</sup> December. This is available to Pre Order through our Website?

*Highlights of the Year include our love for all the Record Fairs as always with the new venue in Bromborough exceeding expectations for a first vist. Then there was Record Store Day back in April which was our busiest to date with memorable performances by Elfin Bow & Torpa here at the Daniel Owen Community Centre. Paul Drapers signing session and our weekend at the Good Life Experience was also amazing. So many other highs!*

Well done to Halcyon Dreams whose vinyl nights at the Queens Head pub in Mold celebrate 4 years next Friday on December 1<sup>st</sup>, great idea and great fun!
