80 FAIRS ON...

Given todays landmark of 80 Record Fairs you will probably already know (or guess) we have been going for a while. Our first Record Fair was back in April 2006. 6-7 events a Year is what we have strived to deliver, this we feel is about the right number. Stalls are always reserved well in advance and we have been very fortunate to have the support of some excellent Record dealers and of course visitors to our Fairs. So here is to the next one...

OUR VENUES.

We currently hold Fairs across 4 venues.

Mold was our first back in 2006 and remains very popular due to its location in the heart of the Town next to the busy Street Market. Connahs Quay Civic hall is traditionally where we kick off each year and is very spacious (similar to todays venue but larger) and Denbigh Town Hall which is a real favourite for many which can see us go over the 30 stalls on the day and is set in a beautiful ex Fire Station with Denbigh's Historic Castle just a short walk away.T

There is always the possibility of us adding another venue so keep an eye on our website for updates.
