NEW VENUE ADDED..SIX OF THE BEST.

We have just added another venue to our list for next Year, this will be in Neston on the Wirral.

This will take us up to six venues- Bromborough, Connahs Quay, Denbigh, Mold, Neston and Wrexham.

This does not mean more events , we aim to keep it limited to around 8 per year to keep things fresh and give sufficient space between Fairs for visitors. So why Neston? As you may already know we have always endeavoured to keep the Fairs within easy reach of our base in Mold. Different venues offer a day out to another location while

retaining the most important thing which is the experience of a Record Fair which is a great social gathering of like minded music fans. Neston is a Market town on the Wirral which is easily reached by road or rail. Taking the train it is just an 11 minute ride on the Train from Shotton.It also has rail links to Wrexham,West Kirby,New Brighton and Liverpool with connection to Chester via Shotton.Free parking located near the venue and this will be a Free entry event.

There will be an onsite cafe but there are also plenty of places to eat and drink in Town with an excellent selection of Cafes, Bars and Restaurants.Parkgate and Ness Gardens are also close to the Town and well worth a visit,the Wirral way also runs through the town on the disused railway track (Willaston-West Kirby).

Planning for next Year is well underway...

But Neston is a while off yet and not until June 2020, so as mentioned in this Newsletter its Mold next Month.

So to....

DATES FOR 2020

We have listed a few dates for next year in this Newsletter and on our Website Record Fairs page, nothing is listed yet after June to avoid confusion with this years dates. We will keep adding events as we go and by our last event in Wrexham (November) the complete Fairs calendar for 2020 will be revealed

CSD & ALBUM DAY REMINDER

The 7th annual Cassette Store Day returns 12th October .National Album Day will also return for its second year on Saturday 12th October. We are not participating in CSD this year but we do stock new Cassettes at our shop and will mark both occasions on the day instore. Press PLAY > More information on both dates will appear on our website nearer the time.
